

Bluetooth Speakerphone

Solar-Powered Car Kit

The BluBridge auto-talk is the ultimate accessory for safe, hands-free phone calls while on the road. It can easily be paired to any mobile phone with Bluetooth capability.

The improved versatile mounting system allows it to be attached to a windshield or visor to ensure premium call quality and sunlight exposure. Large buttons and the improved talk-to-you announcement eliminates the need to read the name of an incoming caller.

Simplify your mobile lifestyle with the BluBridge auto-talk.

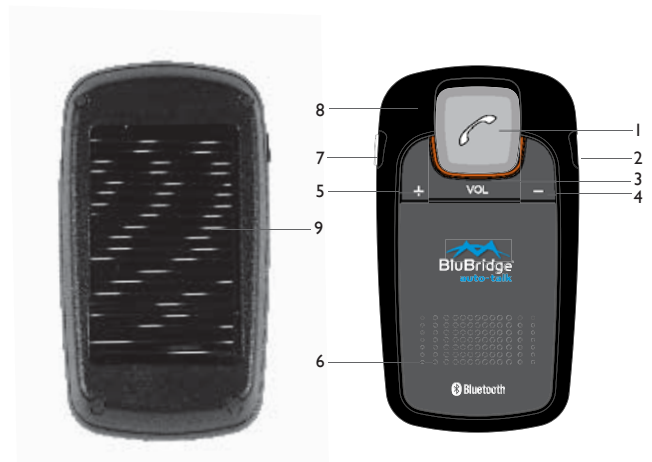

Features

- Talk-to-you voice announcement in five languages.
- Solar charging, a true wireless experience.
- Automatic phonebook download stores 1,000 contacts.
- Noise suppression and echo canceling technology for clear, crisp phone calls.
