The ChargeBlock mini and the ChargeBlock XL are sleek, portable battery chargers that allow iPods and iPhones (including the iPhone 4) to be recharged anywhere, at any time, even while still in use. You can't stay connected if your battery is dead and these little guys fits easily into any bag, pocket or purse. No more carrying extra adapters and cords or looking for a place to plug in; with the ChargeBlocks you can simplify your mobile lifestyle.

Designed to be the smallest and most powerful external batteries on the market, at just over one inch, they feel like a natural extension of the iPhone. The extended connector will provide a secure fit even with your existing case. The Smart technology protects the iPhone/iPod battery from overcharging; LED indicator lights signal battery activity.

Package includes ChargeBlock, Cover lid, Carry strap, USB cable, and User manual
