The ChargeBlock for smartphones is a portable battery charger that can charge your BlackBerry or USB Smartphone anywhere even while in use. Insert the ChargeBlock into your device and keep using it while it recharges. Use with BlackBerry, Motorola, HTC, LG, Samsung or with any device that recharges from USB such as MP3 players, Digital Camera, GPS, Bluetooth headsets, etc.

Let's face it, you can't stay connected if your battery is dead and this little guy fits easily into any bag, pocket or purse. No more carrying extra adapters and cords or looking for a place to plug in, with the ChargeBlock you can simplify your mobile lifestyle. At one and one half inch square it is the smallest portable USB charger on the market.

Package includes ChargeBlock, Carry Strap, user manual and USB cable.
